

## HANSEL AND GRETEL – REHEARSAL SCHEDULE

I have adjusted rehearsal times in the early going to 6:30-8:30 so we can get out earlier. If your name is in bold after a day, you are required to be there for blocking. If you are not listed, you do not need to be there. The scene we are covering is just before it. If you have already let me know about conflicts for the FULL CAST rehearsals in the last three weeks, then we will rehearse without you on those days.
